INTRODUCTION

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Health and Human Services has provided funding to support the Communities Putting Prevention to Work (CPPW) Initiative. This initiative supports community public health efforts to improve nutrition, increase physical activity, reduce obesity, and decrease tobacco use—four critical actions to combat chronic disease and promote health.

The St. Louis County Department of Health (DOH) was one of 44 communities awarded a CPPW grant. The DOH will implement policy and systems interventions to reduce tobacco use and secondhand smoke exposure, increase awareness of cessation services, and prevent youth initiation. Table 1 presents the Department’s action plan objectives.

Table 1. St. Louis County Community Action Plan objectives

MEDIA	<i>Objective 1:</i> By December 2011, develop hard-hitting counter marketing media campaign to target high risk youth.
ACCESS	<p><i>Objective 2:</i> By January 2012, amend current ordinance to include all workplaces, restaurants and bars in St. Louis County.</p> <p><i>Objective 3:</i> By January 2012, increase the number of County municipalities that enact smokefree policies that exceed the comprehensive County-wide policy from three to five, including at least one high-risk municipality with high smoking rates in Districts 1, 2, 3, or 4.</p> <p><i>Objective 4:</i> By February 2012, increase the proportion of public school districts throughout St. Louis County that meet the goal for comprehensive tobacco free policies from <20% in 2007 to 100%.</p> <p><i>Objective 5:</i> By February 2012, increase the proportion of private K-12 schools in high-risk Districts 1, 2, 3, and 4 that meet the goal for comprehensive tobacco free policies from 0% to 100%.</p> <p><i>Objective 6:</i> By February 2012, increase the proportion of higher education institutions in all County Districts that meet the goal for comprehensive tobacco free policies from 21% in 2009 to 100%.</p>
POINT OF PURCHASE	<i>Objective 7:</i> By February 2012, enact an ordinance (or departmental regulation) requiring all tobacco retailers to display a graphic warning sign about tobacco products.
PRICE	<i>Objective 8:</i> By January 2012, enact an ordinance (or departmental regulation) to ban all promotional, free, and discounted tobacco products, coupons, gift certificates, rebates, and other promotions which have the effect of lowering the price of tobacco products.
SOCIAL SUPPORT SERVICES	<p><i>Objective 9:</i> By February 2012, increase the number of calls by St. Louis County residents to the Missouri Quitline by 50%.</p> <p><i>Objective 10:</i> By February 2012, ensure that 80% of County employers in high-risk Districts 1, 2, 3, and 4 with 50+ employees provide smoking cessation services to employees.</p>

Purpose

The evaluation of the CPPW grant is being conducted by a team from the Center for Tobacco Policy Research (CTPR) at Washington University in St. Louis and Saint Louis University School of Public Health. A comprehensive evaluation plan has been developed to examine both process and outcome measures for the CPPW grant, including changes in school tobacco policies. This report presents the findings from a baseline assessment of tobacco policies in private schools in St. Louis County Districts 1, 2, 3, and 4.

Audience

These findings are provided to the St. Louis County Department of Health and other CPPW stakeholders, including the Leadership Team and initiative grantees, to help inform intervention efforts for strengthening school tobacco policies.

METHODS

Policy Collection

From August through October 2010, the evaluation team collected tobacco-related policies from all private schools in St. Louis County Districts 1, 2, 3, and 4 (n=67). Two strategies were used: searching school websites and direct follow-up with each school. The majority of policies and supporting materials were found on the schools' individual websites. Each school was then contacted via written correspondence and phone to determine that the policies posted on the websites were current and that all of the tobacco-related policies had been obtained. Additional data on enrollment and employee numbers was collected directly from the schools.

Policy Assessment

Policies were assessed using the *School Tobacco Policy Index*, a standardized tool previously developed by CTPR in collaboration with the Centers for Disease Control and Prevention (Appendix B).¹ The tool measures the comprehensiveness of school tobacco policies in four domains:

- 1) Tobacco Free Environment;
- 2) Enforcement;
- 3) Prevention & Treatment; and
- 4) Policy Organization.

The evaluation team was able to collect and assess policies from 50 of the 67 private schools in St. Louis County Districts 1, 2, 3, and 4. The remaining 17 schools did not have any tobacco-related policies posted online and did not respond to the team's requests (14) or refused to participate (3) and were therefore not included in the assessment. Two schools were excluded because they were only pre-kindergarten and kindergarten, leaving a total of 50 schools for assessment.

Two trained analysts rated each school independently, then discussed their differences and consulted with members of the evaluation team on final rating decisions.

The main tobacco policy was rated first for all of the schools. Additional supporting documents referencing tobacco (e.g., student and staff handbooks) were also assessed. A list of the supporting documents is provided in Table 2. Dress codes that prohibited logos and insignia on clothing and accessories received credit in Enforcement, even if tobacco advertising was not explicitly prohibited.

Table 2. Types of documents referring to tobacco

Document
Student, Resident, Staff, Faculty, Parent, and Family Handbooks
Student and Staff Codes of Conduct
Constitution and Bylaws
Curriculum Handbook/Course Descriptions
Application for Admission
Student and Staff Dress Code Policy
Wellness Policy
Board Policies
Athletic Code

RESULTS

Tables 3 and 4 list the characteristics of each private school in addition to their tobacco policy scores. Policy scores are reported as a percentage of the total possible points. Schools that only had high school grade levels (grades 9-12, n=9) or middle and high school grade levels (grades 6 or 7-12, n = 3) tended to have higher tobacco policy scores than schools that included lower grade levels. Therefore, Table 3 displays Middle/High and High Schools, and Table 4 displays schools including lower grades. Schools are ordered according to their total score within these tables.

Individual school profiles can be found in Appendix A. The evaluation team collected and assessed policies from 75% (n=50) of the private schools located in St. Louis County Districts 1, 2, 3, and 4.

Overall, school policies need to be strengthened. Total tobacco policy scores averaged about 7 points out of 40, or 18% of the total possible points. Eight schools reported that they did not have any written tobacco policies (marked with an * in Tables 3 & 4) and so were scored zero across all domains. Tobacco Free Environment was the strongest domain across all schools, however the average score was very low (average score of 4 out of 14 points). There were also gaps in Enforcement, Policy Organization, and Prevention & Treatment domains. Prevention & Treatment had the lowest average compared to the other domains (4% of possible points).

Table 3. Private school characteristics and tobacco policy index scores (middle and high schools only)

School	County District (#)	Student Pop. (#)	Grade Levels (#)	Environment (%)	Enforcement (%)	Prevention (%)	Organization (%)	Total Score (%)

* No written policy

RECOMMENDATIONS

Based on the overall findings from the baseline evaluation of tobacco policies in private schools located in St. Louis County Districts 1, 2, 3, and 4, the following are some options when developing effective policy interventions:

1. Ensure that all private schools have documented tobacco policies in writing.

Eight schools had no written tobacco policies. Other schools also scored low across all domains due to the lack of written policies. We recognize that private schools have different religious and cultural traditions that prohibit or oppose tobacco use. However, it is important to document policies in writing to not only effectively communicate the provisions, but also to provide a means for enforcing them. The DOH should consider working with private schools to develop comprehensive written tobacco control policies.

2. Strengthen policies to meet tobacco free standards.

Private school tobacco control policies were low across all domains. In fact, the highest total score among private schools was lower than the lowest public school district score. Studies have shown that smoking prevalence among private school students is higher compared to public school students.² This may be due to the lack of strong provisions restricting tobacco use. The DOH should consider starting a dialogue with private school administration about the need for development and implementation of tobacco control policies.

3. Strengthen St. Louis County Code 602.320.

Many schools either stated that they followed St. Louis County Code 602.320 or had written documentation referring to this code. This code prohibits smoking in school buildings, but has several exceptions (see Appendix C). Therefore, it is important to strengthen the county code or ask private schools to adopt model tobacco free policy language. The DOH should consider strengthening the St. Louis County Code and/or helping private schools adopt model tobacco control policies.

APPENDIX A

Individual School Assessment Profiles

Al Salam Day School

SUMMARY

Al Salam Day School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 18% of the total Tobacco Policy Index score. Areas in particular need of improvement are Prevention & Treatment and Policy Organization, in which no points were scored. Al Salam Day School should also focus efforts in Enforcement, an area where the scores were the lowest.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Al Salam Day School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles and at school-sponsored events by students, staff, and visitors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.
- Prohibit the possession of tobacco products by minors.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Al Salam Day School: 7/40

Blessed Theresa of Calcutta

SUMMARY

Blessed Theresa of Calcutta scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 5% of the total Tobacco Policy Index score. All areas are in need of improvement, especially Enforcement, Prevention & Treatment, and Policy Organization, in which no points were scored.

*Average for 50 participating St. Louis County private schools
 +Average for all 23 St. Louis County public school districts

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Blessed Theresa of Calcutta should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students and staff in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit tobacco use by visitors in school buildings and on the campus/grounds.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.
- Prohibit the possession of tobacco products by minors.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Block Yeshiva High School

SUMMARY

Block Yeshiva High School did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

*Average for 50 participating St. Louis County private schools
⁺Average for all 23 St. Louis County public school districts
[#]Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Block Yeshiva should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

SCHOOL DOCUMENTS REVIEWED: No written policies

Chaminade College Preparatory School

SUMMARY

Chaminade College Preparatory School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 23% of the total Tobacco Policy Index score. However, an area in particular need of improvement is Prevention and Treatment, in which no points were scored. Chaminade should also focus efforts in Enforcement and Policy Organization.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Chaminade College Preparatory School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in vehicles and tobacco use by staff on the campus/grounds, in vehicles, and at school-sponsored events. Currently, staff may smoke on campus, but not within sight/smell of students.
- Prohibit tobacco use by visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy. “Administration” is not specific.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Chaminade College Preparatory School: 9/40

Christian Brothers College High School

SUMMARY

Christian Brothers College High School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 40% of the total Tobacco Policy Index score. CBC achieved a good score in Prevention & Treatment, scoring 67% of total points in that area, the highest among private schools surveyed. An area in particular need of improvement is Policy Organization, in which scores were among the lowest compared to other private schools surveyed.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Christian Brothers College High School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in vehicles and at school-sponsored events.
- Prohibit tobacco use by staff and visitors on the campus/grounds, in vehicles and at school-sponsored events.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors. While Christian Brothers has strong enforcement policies for students, it lacks sufficient enforcement for other groups.
- Include education and referral to cessation as consequences in staff disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- While Christian Brothers College offers cessation services and referrals to students, it needs to extend these services to staff who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Churchill Center and School for Learning Disabilities

SUMMARY

Churchill Center and School for Learning Disabilities did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

^{*}Average for 50 participating St. Louis County private schools
⁺Average for all 23 St. Louis County public school districts
[#]Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Churchill Center and School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

SCHOOL DOCUMENTS REVIEWED: No written policies

DeSmet Jesuit High School

SUMMARY

DeSmet Jesuit High School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 28% of the total Tobacco Policy Index score. However, tobacco policy scores were low across all areas. Prevention & Treatment is an area in particular need of improvement, since no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, DeSmet should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events. Staff currently are only prohibited from smoking during the school day.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.

Every Child's Hope

SUMMARY

Every Child's Hope scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 38% of the total Tobacco Policy Index score. Every Child's Hope achieved a good score for Tobacco Free Environment and Policy Organization, scoring 64% and 63% of the total points in those areas, respectively. An area in particular need of improvement is Enforcement, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Every Child's Hope should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students, staff, and visitors.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Identify specific tobacco topics for the prevention curriculum. This could be addressed through the "Positive Action curricula."
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Indicate that the use of all tobacco products (not just smoking) is prohibited.

SCHOOL DOCUMENTS REVIEWED: No Smoking Policy

Freedom School

SUMMARY

Freedom School did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

*Average for 50 participating St. Louis County private schools
 +Average for all 23 St. Louis County public school districts
 #Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Freedom School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Grace Chapel Lutheran School

SUMMARY

Grace Chapel Lutheran School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 20% of the total Tobacco Policy Index score. A particular area in need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Grace Chapel Lutheran School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in vehicles and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Identify specific tobacco topics for the prevention curriculum.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Grace Chapel Lutheran School: 8/40

Grace Christian Academy

SUMMARY

Grace Christian Academy did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

^{*}Average for 50 participating St. Louis County private schools
⁺Average for all 23 St. Louis County public school districts
[#]Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Grace Christian Academy should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Immanuel Lutheran Church

SUMMARY

Immanuel Lutheran Church scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 10% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. However, scores were low in all areas. Scores in Tobacco Free Environment and Policy Organization were also among the lowest compared to other private schools surveyed.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Immanuel Lutheran Church should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events. Currently, staff make smoke in the absence of students.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Identify specific tobacco topics for the prevention curriculum.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Incarnate Word Academy

SUMMARY

Incarnate Word Academy scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 38% of the total Tobacco Policy Index score. Incarnate Word Academy achieved a good score in Tobacco Free Environment, scoring 57% of total points in that area. An area of particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Incarnate Word Academy should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students at all school-sponsored events. Currently, it is only prohibited at school dances.
- Prohibit tobacco by staff and visitors use in vehicles and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Identify specific tobacco topics for the prevention curriculum.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

SUMMARY

Incarnate Word School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 25% of the total Tobacco Policy Index score. Incarnate Word School achieved a good score in Tobacco Free Environment, scoring 50% of the total points in that area. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. Incarnate Word School should also focus efforts in Enforcement, in which the score was low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Incarnate Word School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Identify specific tobacco topics for the prevention curriculum.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.

John F. Kennedy Catholic High School

SUMMARY

John F. Kennedy Catholic High School scored slightly below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 15% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Prevention & Treatment, in which no points were scored.

*Average for 50 participating St. Louis County private schools
 +Average for all 23 St. Louis County public school districts

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, John F. Kennedy Catholic High School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in school buildings, in vehicles and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy. Currently, only athletes are required to sign a statement regarding reading their handbook and tobacco use policy.
- Provide a rationale for why tobacco use is banned on school premises.

Lutheran High School North

SUMMARY

Lutheran North High School scored slightly above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 20% of the total Tobacco Policy Index score. An area in particular need of improvement is Enforcement, in which no points were scored. Lutheran North High School should also focus efforts on Prevention, in which scores were low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Lutheran High School North should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

North County Christian School

SUMMARY

North County Christian School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 28% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. North County Christian School should also focus efforts in Enforcement, in which the score was low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, North County Christian School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who would like to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Principia School

SUMMARY

Principia School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 3% of the total Tobacco Policy Index score. All areas are in need of improvement, especially Tobacco Free Environment, Prevention & Treatment, and Policy Organization, in which no points were scored.

*Average for 50 participating St. Louis County private schools
 †Average for all 23 St. Louis County public school districts

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Principia School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events. The current student smoking policy only applies to the Middle and Upper Schools, while there is no policy to protect Lower School students.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors. There is specific enforcement for the Middle and Upper Schools but no policy for the Lower School.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy. Currently, printed materials are explicitly stated as provided to Middle School only.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Rossman School

SUMMARY

Rossman School did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Rossman School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Sacred Heart School-Florissant

SUMMARY

Sacred Heart School-Florissant scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 38% of the total Tobacco Policy Index score. Sacred Heart School-Florissant scored particularly high in Policy Organization, scoring 75% of the total points in that area, the highest among private schools surveyed. An area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Sacred Heart School-Florissant should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in vehicles and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds and at school-sponsored events.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.

Sacred Heart School-Valley Park

SUMMARY

Sacred Heart School-Valley Park scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 8% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Enforcement, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Sacred Heart School-Valley Park should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit tobacco use by staff in school buildings, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Saint Ann School

SUMMARY

Saint Ann School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 23% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Saint Ann School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students.
- Prohibit tobacco use by staff in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit tobacco use by visitors in school buildings, on the campus/grounds and at school-sponsored events. Currently, parents/guardians are only prohibited from smoking in vehicles while on field trips.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.

SCHOOL DOCUMENTS REVIEWED: Student-Parent Handbook 2008-2009

Saint Catherine Laboure School

SUMMARY

Saint Catherine Laboure School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 25% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. Saint Catherine Laboure School should also focus efforts in Tobacco Free Environment and Enforcement, in which scores were low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Saint Catherine Laboure School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.

Saint Catherine Laboure School: 10/40

Salem Lutheran School

SUMMARY

Salem Lutheran School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 13% of the total Tobacco Policy Index score. Areas in particular need of improvement are Prevention & Treatment and Policy Organization, in which no points were scored. Salem Lutheran School's score in Tobacco Free Environment was also among the lowest compared to other private schools surveyed.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Salem Lutheran School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Salem Lutheran School: 5/40

Saul Mirowitz Day School - Reform Jewish Academy

SUMMARY

Saul Mirowitz Day School did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

*Average for 50 participating St. Louis County private schools
 †Average for all 23 St. Louis County public school districts
 #Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Saul Mirowitz Day School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

St. Clement of Rome School

SUMMARY

St. Clement of Rome School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 10% of the total Tobacco Policy Index score. Areas in particular need of improvement are Tobacco Free Environment and Prevention & Treatment, in which no points were scored. St. Clement of Rome School should also focus efforts in Enforcement, in which the score was low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Clement of Rome School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff, and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events. Currently, adults may smoke at adult-oriented events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

St. Joseph's Academy

SUMMARY

St. Joseph's Academy scored slightly above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 20% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Joseph's Academy should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

SCHOOL DOCUMENTS REVIEWED: Student/Parent Handbook 2010-2011

St. Norbert School

SUMMARY

St. Norbert School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 18% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. St. Norbert School should also focus efforts in Enforcement and Policy Organization, in which scores were low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Norbert School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, and at school-sponsored events. Currently, adults are only prohibited from smoking inside of vehicles on field trips.
- Prohibit the possession of tobacco products by minors.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

St. Norbert School: 7/40

St. Paul Lutheran School

SUMMARY

St. Paul Lutheran School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 15% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Paul Lutheran School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

SCHOOL DOCUMENTS REVIEWED: Student Discipline Policy

St. Peter Grade School

SUMMARY

St. Peter Grade School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 25% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored. St. Peter Grade School should also focus efforts in Tobacco Free Environment and Enforcement, in which scores were low.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Peter School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit tobacco use by visitors in school buildings, on the campus/grounds and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year. The current policy allows adults to smoke on weekdays after 6 p.m. and on weekends.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

St. Richard School

SUMMARY

St. Richard School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 35% of the total Tobacco Policy Index score. The school scored particularly high in Tobacco Free Environment, scoring 71% of the total points in that area. An area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Richard School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students.
- Prohibit tobacco by visitors use in school buildings and on the campus/grounds. The current policy allows adults to smoke on weekdays after 6 p.m. and on weekends.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff, and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

St. Rose Philippine Duchesne

SUMMARY

St. Rose Philippine Duchesne School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 20% of the total Tobacco Policy Index score. An area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, St. Rose should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events. Currently, adults are allowed to smoke after school hours.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Ste. Genevieve Du Bois School

SUMMARY

Ste. Genevieve Du Bois School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 25% of the total Tobacco Policy Index score. Ste. Genevieve Du Bois School achieved a good score in Policy Organization, scoring 63% of the total points in that area. However, Enforcement and Prevention & Treatment are areas in particular need of improvement, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Ste. Genevieve should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors on the campus/grounds, in vehicles, and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.

SCHOOL DOCUMENTS REVIEWED: Student/Parent Handbook

The Kirk of the Hills Christian Day School

SUMMARY

The Kirk of the Hills Christian Day School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 15% of the total Tobacco Policy Index score. Scores were low across all areas. However, an area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, The Kirk of the Hills Day School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students on the campus/grounds and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Thomas Jefferson School

SUMMARY

Thomas Jefferson School scored below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 5% of the total Tobacco Policy Index score. All areas are in need of improvement, particularly Enforcement, Prevention & Treatment and Policy Organization, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Thomas Jefferson School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in school buildings, in vehicles, and at school-sponsored events.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Trinity Catholic High School

SUMMARY

Trinity Catholic High School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 23% of the total Tobacco Policy Index score. Trinity Catholic High School should focus efforts in Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Trinity Catholic High School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in school buildings and in vehicles.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.

SCHOOL DOCUMENTS REVIEWED: Student-Parent Handbook 2009-2010 • Course Catalog

Twin Oaks Christian School

SUMMARY

Twin Oaks Christian School did not have a written tobacco policy, and therefore achieved 0% of the total Tobacco Policy Index score. Establishing written documentation of tobacco policies is imperative to ensuring that all staff, students, and visitors are protected from the adverse health effects of tobacco use.

^{*}Average for 50 participating St. Louis County private schools
⁺Average for all 23 St. Louis County public school districts
[#]Score of zero for all four domains

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Twin Oaks Christian School should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students, staff and visitors in school buildings, on the campus/grounds, in vehicles and at school-sponsored events.
- Prohibit the possession of tobacco products by minors.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship. Twin Oaks currently only bans tobacco advertising in student lockers.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.
- Indicate that the use of all tobacco products (not just smoking) is prohibited.

Twin Oaks Christian School: 0/40

Villa Duchesne/ Oak Hill School

SUMMARY

Villa Duchesne/Oak Hill School scored above average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 33% of the total Tobacco Policy Index score. Villa Duchesne/ Oak Hill School achieved a good score for Tobacco Free Environment, scoring 50% of the total points in that area. However, scores were low in all other areas.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Villa Duchesne/Oak Hill should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use in vehicles by students.
- Prohibit tobacco use by staff and visitors on the campus/grounds, in vehicles and at school-sponsored events.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.

Villa Duchesne/ Oak Hill School: 13/40

Visitation Academy

SUMMARY

Visitation Academy scored the highest among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 48% of the total Tobacco Policy Index score. Visitation Academy scored particularly high in Tobacco Free Environment, scoring 93% of the total points. An area in particular need of improvement is Prevention & Treatment, in which no points were scored.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Visitation should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage to communicate the tobacco policy.

Visitation Academy: 19/40

Westminster Christian Academy

SUMMARY

Westminster Christian Academy scored slightly below average among private schools in St. Louis County Districts 1, 2, 3, and 4, achieving 15% of the total Tobacco Policy Index score. An area in particular need of improvement is Enforcement in which Westminster scored among the lowest of other private schools surveyed.

RECOMMENDATIONS

To better protect students, staff, and visitors from the adverse health effects of tobacco use and secondhand smoke, Westminster Christian Academy should make the following revisions to its current policies:

TOBACCO FREE ENVIRONMENT

- Prohibit tobacco use by students in school buildings and in vehicles.
- Prohibit tobacco use by staff and visitors in school buildings, on the campus/grounds, in vehicles, and at school-sponsored events.
- State that the core tobacco policy is in place 24 hours a day and 365 days per year.

ENFORCEMENT

- Identify specific consequences for violations of the tobacco policy by students, staff and visitors.
- Include education and referral to cessation as consequences in staff/student disciplinary documents.
- Ban tobacco advertising and/or sponsorship.
- Establish an individual to enforce the disciplinary consequences of the core tobacco policy.

PREVENTION & TREATMENT SERVICES

- Implement a tobacco prevention curriculum that covers specific tobacco topics.
- Provide cessation services or referrals to staff and students who want to quit using tobacco products.

POLICY ORGANIZATION

- Establish signage and printed materials to communicate the tobacco policy.
- Provide a rationale for why tobacco use is banned on school premises.

Westminster Christian Academy: 6/40

SCHOOL TOBACCO POLICY INDEX: MANUAL

The School District Tobacco Policy Rating System is a standardized method to assess the comprehensiveness of public district-wide tobacco policies. Each school district policy is rated according to the following four domains: Tobacco-Free Environment, Enforcement, Prevention and Treatment Services, and Policy Organization. The rating form is included at the end of this document.

INSTRUCTIONS

- 1) Begin by recording the name of the district being rated, the date, and rater ID.
- 2) For each item on the rating form circle “yes” if the policy contains that requirement or “no” if the policy does not contain the requirement. One response must be circled for each item.
- 3) For each of the four sections, record the total number of “yes” responses circled at the beginning of each section. Each item can receive only 1 point for a “yes” response, 0 points for a “no” response.
- 4) Sum the four section scores to provide a total score for the policy and record it on the bottom of the rating form. The maximum score is 40.
- 5) Detailed instructions for each of the four sections are provided below. All items within each section are numbered on the rating form. These numbers are included in () throughout the manual as references.

IDENTIFIED POPULATIONS

Student is defined as any youth currently enrolled in the school district.

Staff is defined as any person employed by the school district, including teachers, administrative, support, and facilities employees.

Visitors/Contractors/Patrons is defined as any person other than students and staff.

GENERAL RULES

- 1) Populations
 - a. If *one or more* of the identified populations are explicitly recognized in the policy, then code according to the populations specified.
 - b. If *none* of the three defined populations are identified but general identifiers (e.g., everyone, anyone, all, nonsmokers and smokers, no person, citizens) are included in the policy, then the policy items coded apply to all three identified populations.
 - c. If Rules 1a and 1b are *not* met and no general or specific populations are identified, then code policy items *only* to students.
- 2) Environment
 - a. If no specific areas are identified in the policy, then code the policy “yes” for *students* for *buildings* and *vehicles*.
- 3) Only the formal, core policy is rated. A core policy contains a reference identifier (e.g. policy number, file number, legal references). No additional resources will be rated at this time.
- 4) Rate policy as it is written. Do not infer meaning. State law should not be considered.
- 5) Districts with no written core policy will receive a 0 score.

1. TOBACCO-FREE ENVIRONMENT

This domain measures the extent to which the school campus, property, grounds, and events are tobacco-free. This scale applies to three populations: 1) students, 2) staff, and 3) visitors/contractors/patrons.

The maximum number of points for this domain will be awarded if the policy prohibits tobacco use by students, staff, visitors, patrons, and contractors in school buildings, on campus, in vehicles, and at school-sponsored events, 24 hours a day and/or 365 days a year. In addition, students and/or individuals under 18 years of age are prohibited from possessing tobacco products.

1. TOBACCO-FREE ENVIRONMENT (Total 14 points)										Score ____/14
Students			Staff			Visitors/Contractors/Patrons				
Yes	No	1.1 school buildings (indoors)	Yes	No	1.6 school buildings (indoors)	Yes	No	1.10 school buildings (indoors)		
Yes	No	1.2 school campus/grounds	Yes	No	1.7 school campus/ grounds	Yes	No	1.11 school campus/grounds		
Yes	No	1.3 vehicles	Yes	No	1.8 vehicles	Yes	No	1.12 vehicles		
Yes	No	1.4 school-sponsored events	Yes	No	1.9 school-sponsored events	Yes	No	1.13 school-sponsored events		
Yes	No	1.5 possession for students and/or anyone under the age of 18								
Yes	No	1.14 24 hours a day and/or 365 days a year								

Definitions

- 1) *School buildings* (1.1, 1.6, 1.10) are defined as facilities and all indoor areas.
- 2) *School campus/grounds* (1.2, 1.7, 1.11) is defined as the property of the school or district.
- 3) *Vehicles* (1.3, 1.8, 1.12) are defined as any form of transportation while on school property, transporting students, or attending school-sponsored events.
- 4) *School-sponsored events* (1.4, 1.9, 1.13) are defined as any event, activity or meeting associated with the school.
- 5) *24 hours a day and/or 365 days a year* (1.14) is defined as the school grounds and/or campus including all building and vehicles are tobacco-free 24 hours a day and/or 365 days a year.

Domain Rules

- 1) The policy must explicitly mention each item listed for the three populations in order to receive the maximum section score of 14.
- 2) A “yes” response for the *School buildings* (1.1, 1.6, 1.10) would be appropriate if the policy mentions facilities, buildings, or at school.
- 3) A “yes” response for the *Vehicles* (1.3, 1.8, 1.12) item would be appropriate if the policy mentions any of the following: vehicles in general, district or school owned, leased, or rented vehicles such as school buses, or personal vehicles.
- 4) A “yes” response for the *School-sponsored events* (1.4, 1.9, 1.13) item would be appropriate if the policy explicitly mentions any of the following: events in general, school activities, meetings, on-site events or off-site events. Code “no” if policy identifies only grounds, at school, and/or buildings as tobacco-free but does not mention school-sponsored events.
- 5) A “yes” response for the *24 hours a day and/or 365 days a year* (1.14) item would be appropriate if the policy explicitly states any of the following: 24 hours a day/365 days a year, at all times.

2. ENFORCEMENT

This domain is measured by the policy addressing issues related to enforcement of the policy. The first two questions are general to the policy, whereas the remainder of the scale applies to three separate groups: 1) students, 2) staff, and 3) visitors/contractors/patrons.

The maximum number of points for this domain will be awarded if the policy: 1) prohibits tobacco industry sponsorship; 2) designates at least one individual who is responsible for enforcing the policy; 3) identifies specific enforcement consequences by grade level or number of violations including cessation and education consequences for students and staff; 4) has specific consequences identified for visitors, contractors, and patrons; and 5) prohibits students and staff from wearing clothing with tobacco-related images and wording.

2. ENFORCEMENT (Total 12 points)										Score ____/12	
<i>Students</i>				<i>Staff</i>				<i>Visitors/Contractors/Patrons</i>			
Yes	No	2.1	general enforcement	Yes	No	2.5	general enforcement	Yes	No	2.9	general enforcement
Yes	No	2.2	identifies specific enforcement	Yes	No	2.6	identifies specific enforcement	Yes	No	2.10	identifies specific consequences for violation(s) to the policy
Yes	No	2.3	mention of cessation and/or education not just punitive measures for violation(s)	Yes	No	2.7	mention of cessation and/or education not just punitive measures for violation(s)				
Yes	No	2.4	dress code	Yes	No	2.8	dress code				
Yes	No	2.11	prohibits sponsorship from tobacco companies								
Yes	No	2.12	establishes designated individual(s) for enforcement								

Definitions

- 1) *Sponsorship from tobacco companies* (2.11) is defined as support in the form of financial contributions, resources or materials paid for or produced by the tobacco industry for use in the school districts or schools.
- 2) *Designated individual(s) for enforcement* (2.12) is defined as a person or persons (by name or job title) identified in the policy as responsible for enforcement of the policy, specifically the written and disciplinary consequences of violation(s) to the policy.
- 3) *General enforcement* (2.1, 2.5, 2.9) is defined as mentioning that the policy will be enforced but specific consequences for violations are not outlined.
- 4) *Specific enforcement for students* (2.2, 2.6, 2.10) is defined as specific consequences identified for violation(s) by grade level and/or by the number of offenses.
- 5) *Mention of cessation and/or education not just punitive measures for violations* (2.3 & 2.7) is defined as the reference of cessation and/or education classes as a consequence for violating the policy.
- 6) *Dress code* (2.4 & 2.8) is defined as prohibiting the wearing or carrying clothing or accessories that display tobacco industry brand names, logos or other related identifiers on school property.

Domain Rules

- 1) If *Specific enforcement* (2.2, 2.6, 2.10) is “yes”, then *General enforcement* (2.1, 2.5, 2.9) item is “yes”.

3. PREVENTION AND TREATMENT SERVICES

This domain is measured by the presence of tobacco prevention curriculum and cessation services in the policy.

The maximum number of points for this domain will be awarded if the policy: 1) identifies specific prevention curriculum, identifying specific grade levels, formats or topics; and 2) external cessation services/programs are recommended and/or if cessation programs are offered within the district for students and staff.

3. PREVENTION AND TREATMENT SERVICES (Total 6 points)						Score ____/6	
<i>TOBACCO PREVENTION CURRICULUM</i>			<i>TOBACCO USE CESSATION</i>				
Yes	No	3.1	general prevention curriculum mentioned	<i>Students</i>		<i>Staff</i>	
Yes	No	3.2	specific prevention curriculum	Yes	No	3.3	general cessation mentioned
				Yes	No	3.4	referral to outside cessation services or cessation program offered
				Yes	No	3.5	general cessation mentioned
				Yes	No	3.6	referral to outside services or cessation program offered

Definitions

Tobacco Prevention Curriculum

- 1) *Specific tobacco prevention curriculum* (3.2) is defined as addressing at least one of the following: 1) specific grade level(s); 2) curriculum format; or 3) specific topics covered by the curriculum.

Tobacco Use Cessation

- 1) *General cessation* (3.3 & 3.5) is defined as mention of counseling or support (e.g., encourage or recommend cessation), but no specific strategies are identified.
- 2) *Referral to outside cessation services and/or cessation programs offered* (3.4 & 3.6) is defined as the policy explicitly identifies at least one of these strategies (i.e., services, programs, or referral) to assist smokers (either staff or students) with quitting.

Domain Rules

- 1) If *Specific prevention curriculum* (3.2) is “yes”, then *General prevention curriculum mentioned* (3.1) is “yes”.
- 2) If *Referral to outside cessation services and/or cessation programs offered* (3.4 & 3.6) is “yes”, then *General cessation* (3.3 & 3.5) item is “yes”.

4. POLICY ORGANIZATION

This domain measures the strategies for communicating the policy, the rationale for instituting the policy, and the management of the policy.

The maximum number of points for this domain will be awarded if the policy: 1) identifies specific strategies for communication of the policy; 2) a rationale that provides health and/or environmental consequences *and* identifies all tobacco products is given; 3) has an enforcement or adoption date specified; and 4) identifies an individual to maintain the policy.

4. POLICY ORGANIZATION (Total 7 points)										Score ____/8	
COMMUNICATING THE POLICY				RATIONALE			MANAGEMENT				
Yes	No	4.1	general communication of the policy	Yes	No	4.4	any rationale given for health or environmental consequences	Yes	No	4.6	applicable enforcement/ adoption date
Yes	No	4.2	printed materials					Yes	No	4.7	individual(s) identified to review and/or update the policy
Yes	No	4.3	signage	Yes	No	4.5	policy indicates all tobacco products				
								Yes	No	4.8	additional supporting documents

Definitions

Communicating the policy

- 1) *General communication* (4.1) of the policy is stated without any specific channels of communication identified (e.g., printed materials or signage).
- 2) *Printed materials* (4.2) includes any materials that contain the tobacco policy that are distributed to students, staff, parents, and/or visitors. Examples of printed materials include handbooks and newsletters.
- 3) *Signage* (4.3) is defined as no smoking or tobacco use signs placed at entrances to the school buildings and/or at various locations throughout the building and across the campus.

Rationale

- 1) A *rationale* (4.4) for the development of the policy addressing health and/or environmental consequences of tobacco must be included in the policy.
- 2) The policy must state that *all tobacco products* (4.5) are prohibited, not just smoking (e.g., cigarettes, chewing tobacco).

Management

- 1) An *applicable enforcement or adoption date* (4.6) of the policy must explicitly have a defining explanation of the date including at least a month and a year. Examples of a defining explanation of the date include revised, adopted, issued and enforced.
- 2) *Individual(s) identified to review and/or keep the policy current* (4.7) must be mentioned within the policy. This does *not* include the actual enforcement of the policy.
- 3) *Additional supporting documents* (4.8) is defined as the policy referencing or citing additional documents for the reader to obtain to supplement the current policy.

Domain Rules

- 1) If *Printed materials* (4.2) or *Signage* (4.3) is “yes”, then *General communication* (4.1) item is “yes”.

APPENDIX C

St. Louis County Code 602.320

St. Louis County Code 602.320:

Prohibition of Smoking in School Buildings: It shall be unlawful for any person to smoke or carry any lighted cigarettes, cigars, pipes or other tobacco products inside or on school property within three hundred (300) feet of any elementary, middle or secondary school building, including both public and private school buildings and school buildings operated by the Special School District of St. Louis County, except at adult-oriented functions which take place in a gymnasium, cafeteria or other assembly hall on Saturdays, Sundays or holidays or at least one (1) hour after student activities have ended on Monday through Friday; provided, however, that the prohibition of smoking on school property within three hundred (300) feet of a school building shall not apply to nonstudents over the age of eighteen (18).

(O. No. 17945, 3-18-96)

Revisor's note--This section was originally effective Sept. 1, 1991.
